## Which doctors, hospitals, and pharmacies can I use?

**Trinity Health Plan of Michigan Cash Back MAPD (HMO)**, **Trinity Health Plan of Michigan No Premium (HMO)** and **Trinity Health Plan of Michigan Cash Back (HMO)** have a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's provider and pharmacy directory at our website ([www.trinityhealthmichigan.org/medicare/find-a-provider](http://www.trinityhealthmichigan.org/medicare/find-a-provider)).

Or, call us and we will send you a copy of the provider and pharmacy directories.

## What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and *more*. Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, [www.trinityhealthmichigan.org/medicare/pharmacy-and-drug-benefits/formulary](http://www.trinityhealthmichigan.org/medicare/pharmacy-and-drug-benefits/formulary).
- Or, call us and we will send you a copy of the formulary.

## How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Deductible, Initial Coverage, Coverage Gap and Catastrophic Coverage.

## Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-800-964-4525 (TTY 711).

### Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [www.trinityhealthmichigan.org/medicare/for-members/view-coverage-benefits](http://www.trinityhealthmichigan.org/medicare/for-members/view-coverage-benefits) or call 1-800-964-4525 (TTY 711) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

### Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- Effect on Current Coverage.** Your current health care coverage will end once your new Medicare coverage starts. For example, if you are in Tricare or a Medicare plan, you will no longer receive benefits from that plan once your new coverage starts.
