See the Differences

This handy table will help you see the differences between our plans. But what's even more important is the difference between **Trinity Health Plan of Michigan (HMO)** and other Medicare options.

Trinity Health Plan of Michigan was founded by doctors to serve their patients. That means the decisions about your care are made by doctors—not a for-profit insurance company. You can see trusted local participating providers without referrals. You get more-connected care with greater convenience and less red tape.

It's a better experience that protects your health and preserves your savings.
