This chart shows examples of some of the most-commonly used dental procedures and what percentage each plan covers when receiving care from an in-network provider.

Over 400 covered

Dental Procedures

Covered procedure Type	Waiting Period	Economy Plan Coverage	Standard Plan Coverage	Preferred Plan Coverage	Premier Plan Coverage
✓ Cleanings	None	100%	100%	100%	100%
✓ Routine Exams	None	100%	100%	100%	100%
✓ Dental X-rays	None	100%	100%	100%	100%
✓ Fillings for cavities	None	25%	40%	55%	70%
✓ Minor oral surgery procedures and sedation	None	25%	40%	55%	70%
✓ Simple tooth extractions	None	25%	40%	55%	70%
✓ Root canals	12 months	25%	40%	55%	70%
✓ Crowns	12 months	25%	40%	55%	70%
✓ Dentures	12 months	25%	40%	55%	70%

100% coverage for preventive care is only available when you see an in-network dentist.
The 25%/40%/55% are averages of the maximum allowable charge. 70% is what we'll pay of the maximum allowable charge.

Physicians Mutual®
