Closest plan to a traditional employer-provided plan and has maximum benefits.

Substantial plan with more benefits and more coverage at a great rate.

Cost-effective plan if you don't anticipate big dental expenses in the future.

Budget-friendly plan that pays a set amount for basic and major services.

For Agent Training Use Only

**PHYSICIANS FUTURE**  
Insurance for all of us.®

## Medicare does not cover vision and hearing care. Add them now!

Get benefits for your vision and hearing with the Vision and Hearing Benefit Rider. It gives you valuable eye care and hearing benefits – and works right along with your dental coverage. You can go to any participating provider you choose and get cash benefits for covered:

**Eye Exams** – up to \$100 per person per year

**Vision Correction** (Includes prescription: eyeglasses, sunglasses, sports glasses, spare pairs and contact lenses)

**Every year:** up to \$150 per person after a three-month wait (from effective date of the rider)

**Covered Hearing Exams**

**Every year:** up to \$75 per person

**Get up to \$500** per hearing aid per ear after a 12-month waiting period<sup>2</sup>

**Vision Discounts.** Plus, at no additional cost to you, we've partnered with VSP to give you these discounts at VSP network providers:

- 20% off a comprehensive exam
- 20% off glasses, lens options and sunglasses<sup>3</sup>
- 15% off contact lens exam
- 15-20% average savings off laser vision correction surgery, including PRK, LASIK and Custom LASIK<sup>4</sup>
